

At Hoffman Hall— It's fitness for life!

“The use of your facilities on a year-round basis will provide a special opportunity for ... children to benefit from a directed program in sports and physical fitness.”

John F. Kennedy, March 29, 1963
to Father Kalb, regarding
Hoffman Hall,
then known as Campion High
School's Athletic Center.

The whole family can still enjoy this facility with a full court basketball gymnasium and heated Olympic size indoor swimming pool.
